Dear Sir or Madam:

This communication is responsive to the Notice to File Missing Requirements regarding compliance with requirements for patent applications containing “nucleotide sequence and/or amino acid sequence disclosures” mailed February 16, 2007, and setting a two-month period for responding ending on April 16, 2007. Prior to examination of the instant application, please amend the application as follows.

Amendments to the Specification begin on page 2 of this communication.

Remarks are on page 3 of this communication.
